	match exceptions are				

<u>Step 3:</u> Next, select "Matching" from the dropdown list in the Action field (3). {Shown at right}.

<u>Step 4:</u> Then, click the **Run** button. {Shown at right}.

**<u>Step 5:</u>** Allow SMART to complete the matching process. This should take between 1 to 5 minutes.

<u>Step 6:</u> Navigation: From the Home page of SMART, click the Accounts Payable link on the left navigation menu, then Vouchers, then Add/Update, then Regular Entry.

The **Matched Status** field is located on the **Summary tab** of the voucher. Verify that the Matched Status has changed to "**Matched**".

<u>How to override Match</u> Exceptions on SPECIFIC voucher lines:

The Voucher Line Match Action field is located in the Line Details section of the Match Exception Workbench Details page.

Use the Voucher Line Match Action field dropdown list to '<u>Override'</u> <u>match exceptions on a</u> <u>SPECIFIC VOUCHER</u> <u>LINE</u>. If other voucher lines have exceptions, <u>this</u> <u>step must be repeated</u> for each voucher line:

### I. Hold Payment (Step 13)

### 13.

On the **Payments** page, **Payment Options** section, vouchers that have the "**Hold Payment**" checkbox selected are NOT eligible to process for payment.

Vouchers may be placed on "**Hold Payment**" for a variety of reasons (either by the Agency or by Central Processing). SMART has a list of **Hold Reasons** from which to choose.

To view the list of available **Hold Reason** options, click the Look-up button (Magnifying Glass icon to the right of the field).

If the voucher has the "Hold Payment" checkbox selected, research the reason for placing the voucher on hold (within your Agency), and if appropriate, remove the hold.

If your research does not reveal the hold reason to you within your Agency, please have your Agency Security Liaison open a Service Desk request for further assistance.

J.	Credit Balance (Step 14)	
14.	All <b>scheduled payments</b> to a specific vendor must have a <b>net balance of</b> <b>\$0.00</b> <u>OR</u> a positive dollar amount balance in order to be eligible for paycycle.	
	Additionally, each of the vouchers must also have the <u>SAME</u> Vendor ID, Location, Address, and Handling Code listed on the Payments page of the voucher.	Business Unit:     Invoice Number:     9677755606       Voucher ID:     00002538     Invoice Date:     11/03/2011       Voucher Style:     Regular     Action:     Invoice Date:     11/03/2011       Setoff Status:     Not Eligible for Setoff     Total:     49.70       Vendor:     W W GRAINGER INC     *Pay Terms:     00     Due Now       PO BOX 419267     KANSAS CITY, MO 64141-6267     Find   View All     First I of 1 * Last       Scheduled Payment:     1     Image: Scheduled Payment:     Image: Scheduled Payment:     Image: Scheduled Payment:       Incation:     001     Discount:     0.00     USD     Discount:     Discount:
	In the example (Voucher Payments page shown at right), it was reported that this voucher will not process for payment.	*Address:       1Q         W W GRAINGER INC 241 SW 32ND TER TOPEKA, KS 66611-2295       Scheduled Due:       12/30/2011         Discount Due:       11/03/2011         Discount Due:       Accounting Date:         *Account:       KSBNK Q       Pay Group:         *Account:       MAIN       Main
	<u>Solution:</u> To investigate, navigate to the Scheduled Payment Inquiry page.	
	<u>Navigation:</u> From the Home page – left navigation menu, click on Accounts Payable, then Review Accounts Payable Info, then Vendor, Scheduled Payment.	
	In the <b>Search Criteria</b> section, enter the <b>Business Unit</b> and the <b>Vendor ID</b> number, and then click the <b>Search</b> button.	

The search results are returned in the **Scheduled Payment Listing** section at the bottom of the page.

On the Schedule Details tab, Voucher ID column, SMART displays ALL the vouchers for the specified Business Unit and Vendor ID which are scheduled for payment.

Next, check the **Payments** page of **each voucher** to review the **Vendor ID** (**Remit to**), the Vendor **Location** code, the Vendor **Address** code, the voucher **Gross Amount**, and the **Handling** code.

A **Handling** Code is a two letter code that affects the sorting and distribution of paper checks.

Most vendors default with a Handling code of '**CM**' which stands for 'Central Mail'.

Checks with the 'CM' handling code are mailed out from the Central processing department (Dept of Administration).

If an Agency uses a specific handling code for their agency, someone in the Central processing office sorts out those checks.

These checks are then either mailed directly to the Agency, or the Agency comes to pick them up
